**THE UNITED STATES' AMENDED ANTICIPATED
WITNESS ORDER FOR TRIAL**

The United States amends its earlier filing of anticipated witness order (ECF No. 624) to provide below its currently anticipated order of witness and the estimated testimony time for each. The United States reserves the right to further amend the order of witnesses or the testimony time. The United States also reserves the right to incorporate testimony from other “may call” witnesses, to the extent necessary. The United States reserves any additional time for cross-examination.
